Tool: A web meeting application Zoom <https://zoom.us/> is used. Visit our meeting room directly: <https://zoom.us/j/4332892972>, and wait for a moment in the waiting room. If you visit the site for the first time, a downloading/installation process will automatically start. (The installation is required only once.) Complete this process beforehand.

Note) Please mute yourself during the session to avoid audio interference. (*I strongly hope that in the future, technology will advance enough to allow us to audibly recite Nembutsu loud together!*)

Reminder Mail: If you want a reminder mail, [send us a request e-mail](#). (mailto: admin@rinkaian.jp, subject: "Live OTSUTOME reminder request for session A or B"). Please don't forget to *let us know which session you like*.

If you have any question, feel free to e-mail us: admin@rinkaian.jp.
